- Teaching Language: English or Hindi or Both.
- Eligibility: International Students of class IX - X with CBSE/ICSE curriculum.
- Easy cancellation! - Call +91-8007267089, +91-8484948623 or Razorpay Stop!
- Half Course covered, need to renew the subscription plan for complete syllabus.

**Syllabus:** Half Mathematics Syllabus CBSE/ICSE, India of respective class. Students needs to renew the plan for complete syllabus completion.

**Infy!***Mathsarc Virtual Guide*

CHP	MATHEMATICS - Class IX	CHP	MATHEMATICS - Class X
1	Number System/Rational & Irrational Numbers	1	Real Numbers
2	Indices (Exponents) & Expansion	2	Polynomials
3	Commercial Mathematics (Compound Interest)	3	Pair of linear equations & Inequations
4	Polynomials and Factorisation	4	Quadratic Equation
5	Logarithm	5	Arithmetic & Geometric Progressions
6	Coordinate Geometry	6	Triangles / Similarity
7	Linear Equation in two variables	7	Co-ordinate Geometry
8	Introduction to Euclid Geometry	8	Introduction to trigonometry
9	Lines and Angles	9	Some Applications of Trigonometry
10	Triangles (Geometry)	10	Circles
11	Quadrilaterals	11	Constructions
12	Area of Parallelograms & Triangles	12	Area Related to Circles
13	Circles	13	Surface Area and Volume/Mensuration
14	Constructions	14	Statistics
15	Heron's Formula	15	Probability
16	Surface Area & Volumes (Mensuration)	16	GST
17	Statistics and Graph Work	17	Banking
18	Probability	18	Shares & Dividend
19	Trigonometry	19	Loci
20	Factorisation	20	Matrices

- Note: (1) We will take some extra difficult topics related to school concerned in which students might be facing difficulty to understand.  
 (2) Regular testing (Subjective & Objective Both) on 21 Days.  
 (3) **Semester wise course coverage.**
